## Words of Inspiration

In the Month of May, we are paying tribute to our Mothers, from all walks of life and no matter where they are, we give thanks. While Mother's Day is honored one day in the month, we'd like to say that Mothers should be celebrated every single day of every month. So, Happy Mother's Day to you today & always. May God Bless you with many more days of your life.

*"Her children rise up and call her blessed; her husband also, and he praises her. Many women have done excellently, but you surpass them all." Proverbs 31: 28-29*

## Prayers to our Mothers...

*Dear Lord, today I turn to you to give you thanks for my mom, my mother, my Nana and Big Ma. With your precious gift of life, she carried me within her womb and gave me the birth of life. She graciously cared for me with great patience, loved me unconditionally, provided wisdom when needed, and kissed my scared hands when I fell to the ground. She talked with me, provided words of wisdom, and taught me the importance of having sound character. She listened to me while I read stories to her and laughed when I played corny April fool's jokes on her. She did not spare the rod when my siblings and I fought; she instilled the importance of family and forgiveness. She gleamed in delight when I successfully accomplished simple task and encouraged me when times were difficult. She is my biggest fan and one real cheerleader in the whole wide world. When I suffered hurt or experienced a broken heart she always provides a tender touch of hope and encouragement. She, at times without instructions, mothers me and mentors me when unknowingly having the Wisdom of God as her internal light. I am so blessed, grateful and honored to have her as my Mother. Please bless her, Lord, and comfort her. Help her huge heart to continue to love and give of herself to others. Strengthen her when she is down and give her hope in difficult times when she is discouraged. Most of all, Lord, on this Mother's Day, continue to have mercy on her, give her the grace most needed and that she so desires today and every day. I ask in Your Name Jesus my Lord and Savior.*
